1	Q Did you speak did you talk about
2	anything else other than the virus exclusion in
3	the state of Massachusetts?
4	A No.
5	Q And what did Mr. Huberty have to say
6	about the virus exclusion in the state of
7	Massachusetts?
8	A Well, he just filled me in on current
9	circumstances with the virus exclusion in the
10	state of Massachusetts.
11	Q And did he specifically why
12	Cincinnati includes a virus exclusion in policies
13	it writes on property in the state of
14	Massachusetts?
15	A Yes.
16	Q And what did he tell you is the reason
17	why Cincinnati includes virus exclusions in
18	commercial property policies it writes in the
19	state of Massachusetts?
20	A Well, this is a bit of a story. So
21	the state of Massachusetts was an inactive state.
22	Q Excuse me, was an active or an
23	inactive state?
24	A It was an inactive state for us. And
25	as an inactive state, we have ISO file on our
	•

1	it fair to say?
2	MR. LITCHFIELD: Objection, form.
3	Q (By Mr. Shank) If you know.
4	A I don't know specifically when we were
5	active of it in the state, but it would have been
6	at least 2018 and possibly not until later.
7	Q Before Cincinnati excuse me.
8	Before Massachusetts became an active
9	state for Cincinnati, Cincinnati included a virus
10	exclusion in commercial property policies it
11	wrote for properties located in Massachusetts; is
12	that right?
13	A That would be correct.
14	Q And after Massachusetts became an
15	active state, Cincinnati continued to include the
16	virus exclusion in policies covering property
17	headquartered in Massachusetts; is that correct?
18	A Due to an analyst's mistake, yes.
19	Q Does Cincinnati still include a virus
20	exclusion in policies it writes for properties
21	located in Massachusetts?
22	A It does.
23	Q So to this day Cincinnati continues to
24	include a virus exclusion in policies covering
25	property located in Massachusetts?

1 supplementation that Cincinnati intends to make at this time? 2 3 MR. LITCHFIELD: It is. 4 0 (By Mr. Shank) Mr. Henn, did you 5 review any other documents in preparation for 6 topic numbers 14 and 15 today besides this 7 Interrogatory response? No. Oh, I apologize. That's not 9 correct. I did look at the email -- well, that 10 would have been part of the Interrogatory, so 11 yeah, those two things, this document and that 12 email. 13 Q Right, okay, yeah. And I understand 14 what your -- what you mean, and we'll look at that 15 email here, here shortly. 16 So, so just to be clear, so in preparation 17 for topic numbers 14 and 15 having to do with 18 Cincinnati's consideration of the 2006 ISO virus 19 exclusion or any other virus exclusion, you 20 reviewed this supplemental Interrogatory response 2.1 and a September 22nd, 2006, email, and that's it? 2.2 That's correct. Α 2.3 0 So let's look at this Interrogatory. 24 So Supplemental Interrogatory No. 6, State whether 25 you considered, evaluated or investigated whether

	to alter, amend, or otherwise change the language
2	of the policy to include an exclusion of, or other
3	limitation to, coverage for losses related to
4	viruses or pandemics, whether by endorsement or
5	otherwise, at any time from 2006 through the
6	present.
7	Did I read that correctly?
8	A Yes.
9	Q And you understand that when it says
10	state whether you considered, you means Cincinnati
11	Insurance Company?
12	MR. LITCHFIELD: Objection, form.
13	A Yes.
14	Q (By Mr. Litchfield) So I want to
15	scroll down to the bottom here. Cincinnati, you
16	see where it says, this last paragraph,
17	Cincinnati identifies the following as higher
18	level employees who may have knowledge about the
19	foregoing matters. And then there are five
20	bullet points.
21	Do you see that?
22	A Yes.
23	Q And there are five names?
24	A Yes.
25	Q And we've already talked about the
1	

1	first two. You testified earlier that you spoke
2	with Tim Schmittou as well as Tom Huberty in
3	preparation for your deposition today, right?
4	A Correct.
5	Q The bullet point, David Groff,
6	director of commercial lines product.
7	Do you see that?
8	A I do.
9	Q Do you know Mr. Groff?
10	A I do.
11	Q Did you speak with him in preparation
12	for your deposition today?
13	A I did not.
14	Q The fourth bullet point, Sean Givler,
15	commercial lines administration, do you see that?
16	A I do.
17	Q Do you know Mr. Givler?
18	A I do.
19	Q And did you speak with Mr. Givler in
20	preparation for your deposition today?
21	A I did not.
22	Q The fifth bullet point, Steve Spray,
23	chief insurance officer, hyphen, property casualty
24	insurance, did you speak with Mr. Spray or
25	excuse me.

1	First of all, do you know Mr. Spray?
2	A I do.
3	Q And did you speak with Mr. Spray in
4	preparation for your deposition today?
5	A I did not.
6	Q So I think we've covered who you've
7	spoken who you spoke to and what documents
8	reviewed you reviewed from preparation for
9	topic topics numbers 14 and 15. One final
10	question on this.
11	Other than the review of the two documents
12	that you identify and the discussions with
13	Mr. Schmittou and Mr. Huberty, did you do
14	anything else in preparation for your testimony
15	on behalf of Cincinnati today in connection with
16	topics 14 and 15?
17	A I did not.
18	Q Why don't we take a quick break.
19	We've gone about 45 minutes, and we're about to
20	get into a new topic. So let's go off the record
21	if that's all right.
22	MR. LITCHFIELD: Okay.
23	THE WITNESS: Dan, you're on mute.
24	MR. LITCHFIELD: Working mistake.
25	How long a break are you looking at so I can be

1	Do you see that?
2	A I do.
3	Q And Cincinnati states that, Subject to
4	its objections, Cincinnati states that it has
5	considered or evaluated whether to generally add
6	the 2006 ISO virus exclusion to its commercial
7	property policies.
8	Did I read that correctly?
9	A Yes.
10	Q And there are three subparagraphs.
11	Subparagraph A says this happened in 2006.
12	Subparagraph B, A consideration or evaluation was
13	made by Tim Schmittou, commercial lines product
14	director.
15	And then subparagraph C, This
16	consideration or evaluation is reflected in a
17	September 22nd, 2006, email from Mr. Schmittou,
18	which is being produced with this supplemental
19	answer.
20	Did I read all of that correctly?
21	A Yes.
22	Q So let's walk through this. So
23	Cincinnati states that it considered or evaluated
24	whether to add the virus exclusion, the ISO virus
25	exclusion, in 2006, right?

1	A Correct.
2	Q Did Cincinnati consider or evaluate
3	whether to add any other virus exclusion to its
4	commercial property policies at any time?
5	A I believe the supplemental answer is
6	our official position. It's our answer.
7	Q I guess I'm just asking you. Other
8	than the ISO virus exclusion, the 2006 ISO virus
9	exclusion
10	A Okay.
11	Q did Cincinnati consider or evaluate
12	whether to add any other type of virus exclusion
13	to its commercial property policies?
14	A Not to my knowledge.
15	Q Did Cincinnati consider or evaluate
16	whether to add a 2006 ISO virus exclusion at any
17	time other than in 2006?
18	A Not to my knowledge.
19	Q Has Cincinnati considered or evaluated
20	whether to add the ISO virus exclusion since the
21	onset of the COVID-19 pandemic?
22	A Not to my knowledge.
23	Q And what have you done to investigate
24	whether Cincinnati has considered or evaluated
25	whether to add an ISO virus exclusion to its

1	commercial property policies after the onset of
2	the COVID-19 pandemic?
3	A I have not done any additional
4	investigation.
5	Q I guess what are you basing your email
6	that Cincinnati has not considered or evaluated
7	whether to add the 2006 virus exclusion to its
8	policies after the onset of the COVID-19 pandemic?
9	What are you basing that statement on?
10	A We don't consider virus to be a
11	covered cause of loss, so there's really no need
12	to add an exclusion.
13	Q Have you talked to anyone who told you
14	that Cincinnati has not evaluated whether to add a
15	virus exclusion to its policies post-COVID-19?
16	A I would say same answer. We don't
17	believe virus exclusion is necessary because the
18	virus is not a covered cause of loss.
19	Q So no one at Cincinnati has sent an
20	email after the onset of the COVID-19 pandemic
21	saying, hey, do we need to take another look at
22	whether we need to add a virus exclusion?
23	A Not to my knowledge.
24	Q Are you aware that other property
25	insurance companies have added virus exclusions to

1	their policies after the onset of the COVID-19
2	pandemic?
3	A I'm aware other carriers had
4	exclusions. As to when they decided or started to
5	do so, I don't know.
6	Q Sorry, could you, could you repeat
7	that? You broke up on me there.
8	A Okay. I'm aware that other carriers
9	do use virus exclusions. As to when they started
10	doing so, I don't know.
11	Q Okay. So you're not aware that other
12	property insurance companies have added virus
13	exclusions since the onset of the COVID-19
14	pandemic?
15	MR. LITCHFIELD: Objection, form.
16	Q (By Mr. Shank) That's not something
17	you're aware of one way or the other?
18	A Not specifically, no.
19	Q Has anyone on Cincinnati's behalf
20	evaluated whether to add a 2006 ISO virus
21	exclusion to its commercial property policies at
22	any time?
23	MR. LITCHFIELD: And Mr. Henn, you
24	can answer, but I'd admonish you, don't refer to
25	any discussions you're aware of involving counsel.

A Could you, could you restate the question? I'm not sure I'm following it. Q (By Mr. Shank) Sure. So I just want, I guess, just to explain. I'm curious if any anybody on Cincinnati's behalf, so any non-Cincinnati employee, but some other person that Cincinnati has retained, has any such person evaluated or considered whether to add a virus exclusion to its commercial property policies at any time? A I'm not aware of that, no. Q Has Cincinnati retained any attorney, whether in-house counsel or outside counsel, to assess whether to add a virus exclusion to commercial property policies at any time? MR. LITCHFIELD: Objection, and I'll instruct you not to answer that. Q (By Mr. Shank) Are you going to follow your counsel's advice, Mr. Henn? A I am. MR. LITCHFIELD: I will permit one question, though, counsel if it's helpful, which is whether he has any knowledge about such a retention. A I do not.

	25	A I do not.

1	Q (By Mr. Shank) So you do not you
2	do not know whether Cincinnati has retained
3	attorneys to evaluate whether to add a virus
4	exclusion to Cincinnati's commercial property
5	policies?
6	A Correct.
7	Q Did you conduct any investigation in
8	preparation for your deposition today to determine
9	whether Cincinnati has at any time retained an
10	attorney or attorneys to investigate whether to
11	add a virus exclusion to Cincinnati's commercial
12	property policy?
13	A First can you restate that? I just
14	you're fading in and out on my sound.
15	Q Sorry. I'll try to speak more
16	clearly.
17	So did you undertake any investigation in
18	preparation for your deposition today to
19	determine whether Cincinnati hired attorneys at
20	any time to evaluate whether to add a virus
21	exclusion to Cincinnati's commercial property
22	policies?
23	A No.
24	Q Why not?
25	A I didn't think it was relevant.

1	A ISO.
2	MR. LITCHFIELD: Object to form.
3	A ISO. They're they are an
4	aggregator, I guess would be my explanation of
5	what they are, aggregator of data.
6	Q (By Mr. Shank) They're an aggregator
7	of data. What does that mean?
8	A Amongst other things.
9	Q Okay. So what other things?
10	A Well, obviously they do they also
11	do forms. They act as an advisory on forms.
12	Q When you say they're an aggregator,
13	what do you mean by that?
14	A Well, what I mean is insurance
15	companies that work with ISO will provide them
16	with, with data. ISO takes that for all insurance
17	companies that they work with, and they promulgate
18	loss costs and such things.
19	Q So is it the correct terminology to
20	say that Cincinnati Insurance Company is a member
21	of ISO?
22	MR. LITCHFIELD: Objection, form.
23	A We do have a contract with ISO.
24	Q (By Mr. Shank) So does, does
25	Cincinnati pay money to ISO to take advantage of

1	its services?
2	A Yes.
3	Q Does Cincinnati have any
4	representative on any boards or groups in ISO?
5	MR. LITCHFIELD: Objection, form.
6	A I know from my time in product
7	management group that we we do have some folks
8	that participate or did participate on some of
9	their boards, some of their coverage, you know,
10	groups I guess. I don't know what they call them
11	actually.
12	Q (By Mr. Shank) And what do those
13	folks do generally speaking on those ISO boards?
14	MR. LITCHFIELD: Objection, form.
15	A They're generally, they're just in the
16	capacity, at least our folks, in the capacity just
17	to hear out what is going on in the industry,
18	what, you know, what kind of things are coming
19	down the pipe, so to speak.
20	Q (By Mr. Shank) And so would you,
21	would you expect a Cincinnati employee who's on
22	an ISO board to relay what's going on at ISO back
23	to the company?
24	MR. LITCHFIELD: Objection, form.
25	A Not necessarily.

1	Q (By Mr. Shank) Why not?
2	A It just depends if it's something
3	that, that they feel is relevant to our operation.
4	Q Right. So if they came across
5	something in their capacity with ISO that that
6	individual believed might be significant to
7	Cincinnati, Cincinnati would expect that person to
8	convey that to the company?
9	MR. LITCHFIELD: Objection, form.
10	A Yes.
11	Q (By Mr. Shank) Are you familiar with
12	a former Cincinnati Insurance Company employee
13	named Tad Bunnell?
14	A I do, yes. I do remember Tad.
15	Q Who is Mr. Bunnell?
16	A He used to work in our research and
17	development department, which is no longer in
18	existence.
19	Q What did the research and development
20	department do while it was in existence?
21	A They researched and developed new
22	coverages, new, new forms, et cetera.
23	Q Are you aware that Mr. Bunnell was
24	part of ISO's commercial property coverage group
25	in

1	MR. LITCHFIELD: Objection, form.
2	A I do remember that he was part of that
3	back, back in the day.
4	Q (By Mr. Shank) Let me I don't
5	think I got my question out.
6	Are you aware that Mr. Bunnell was a
7	member of ISO's commercial property group in 2006
